## **RELEASE SUZAN ZENGİN IMMEDIATELY!**

**Suzan Zengin is an imprisoned journalist at the Bakırköy Women's Prison. Approximately 9 months ago, she was arrested as a result of an obvious conspiracy. During this past time no formal charges have been placed. She has been imprisoned arbitrarily. Her first hearing date has been allocated for 26<sup>th</sup> August 2010, nearly a year after her arrest, which 'coincidentally' coincide with the judiciary recess.**

**The clear intention in this is to silence and counteract the opposition press and its activities. Shadow the legitimacy and the rightfulness of the opposition (socialist) press and its workers whom take on the duty to show and expose the real face of the system to the people; to isolate the oppressed workers and toilers in order to prevent the exposure of the realities of the system to the wider masses.**

**We, the undersigned, are the supporters of SUZAN ZENGİN and urge her immediate release!**
